

June 2021—May 2022

I am privileged to thank you again this year for the generosity you have shown to Quincy University. As you may know, QU received record-breaking levels of support from alumni and friends across the nation, of all ages, which allows us to continue to serve our students in a way very few institutions of higher learning are able. Thanks to you, our total funds raised for the last fiscal year were \$10,433,960. This represents the largest one-year amount ever given to Quincy University.

- ❖ A special thanks to QU Fund Chair Linda Moore '81 for her support and leadership of this successful drive, which brought in \$1,231,608, supporting everything from new band uniforms to the naming of a new business school to continual technology upgrades. This also represented the largest one-year amount ever given to QU for the annual campaign.
- ❖ Endowment gifts accounted for \$4,274,806 of the total giving for the year and allowed our endowment to soar to its highest level ever during the year. As you know, our endowment is critical to Quincy University's sustainability and provides a reliable source of income for scholarships and academic program enrichments. And, you guessed it, this too was the largest one-year amount ever given for endowment support.
- ❖ In addition to all of this, \$2,768,318 was raised in restricted funds to support academic and athletic programs, student clubs and organizations, and facility improvements. We are thrilled that this also was the largest one-year amount of restricted support ever received.

My wife and I are honored to become members of the Quincy and Quincy University communities and hope to meet as many of you as possible in the coming months. Thanks to those of you who have made us feel so welcome.

It is, indeed, a great day to be a Hawk!

PUT YOUR MONEY WHERE YOUR HEART IS. FUEL YOUR PASSIONS WITH CHARITABLE GIFT ANNUITIES

A charitable gift annuity is a simple contract under which a not-for-profit organization, like Quincy University – in return for a transfer of cash, marketable securities or other assets – agrees to pay a fixed amount of money to the donor for their lifetime. The donor establishes a fund which provides a current tax deduction, plus a stream of tax advantaged income with attractive interest rates.

BENEFITS FOR YOU:

- Lifetime payments
- Income tax deduction
- No probate on donated assets
- Ensure long-term stability for the not-for-profit organization

CALL FOR NOMINATIONS!

**for the Alumni Franciscan Service Award, Rising Hawk Award,
and the Bill O'Donnell Distinguished Alumni of the Year Award**

Quincy University's National Alumni Board invites you to nominate a fellow alum who has achieved professional accomplishments and service to their communities and/or to the university.

Nominations for all awards are solicited annually from faculty, staff, alumni, and friends of the university, specifically in the fall of each year. However, we accept award nominations throughout the year. We encourage nominations to be kept confidential. Submitted nominees are reviewed by Alumni Services and the final selection is made by a committee of the NAB.

The nomination deadline for the 2023 awards is October 31, 2022. Submissions after October 31 will be considered for the following year. Self-nominations will not be accepted.

The winners will be announced in the spring and highlighted in the spring edition of QUniverse.

Visit the Alumni Award and Feature page at quincy.edu/alumni to nominate a deserving alumni today!

Make the Impossible Possible in One Sentence

Remember Quincy University in your will or living trust

What if all you had to do to ensure that Quincy University can be successful for years to come is to write a simple sentence? Sound impossible?

Securing the future of those we serve really is as simple as one sentence. By including a gift to Quincy University in your will, you can support our mission tomorrow without giving away any of your assets today.

Including Quincy University in your will is a popular way to give because it is:

Affordable. Flexible. Versatile.

Not sure where to begin?
